

HEOS AVR

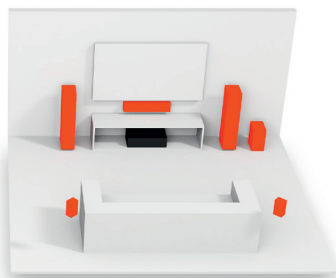

SURROUND YOURSELF WITH SOUND, NOT WIRES.

Meet the HEOS AVR, the first 5.1-channel AV receiver of its kind to drive your favourite speakers and integrate any HEOS wireless speakers for surround sound. Farewell to black boxes and complicated wiring! The stylish HEOS AVR revolutionises the AV-receiver, combining wireless flexibility, superb performance and ground-breaking industrial design.

2.1 speaker setup

5.1 speaker setup

MIX AND MATCH FOR DIFFERENT SETUPS.

The HEOS AVR drives even demanding speakers in a 2.0 setting for a class-leading sound experience. In combination with the wireless HEOS Subwoofer, you can easily create a 2.1 setup to enhance your movie and music experience. Add a wired centre for a 3.1 system to get the clearest dialogues. Connect with any pair of wireless HEOS speakers, and you can experience full cinematic 5.1 surround sound without wires all across the room.

READY FOR 4K ULTRA HD.

The HEOS AVR is also completely future-proof with the latest HDMI standards. Four HDMI 2.0a/HDCP 2.2 inputs make sure that you can enjoy your movies in 4K Ultra HD. For premium quality sound, you can count on Dolby TrueHD, DTS-HD Master Audio.

Main functions ready at hand with the included remote control.

PERFECT SOUND MADE SIMPLE.

Have it all at your fingertips with the intuitive HEOS App. To setup, simply connect the HEOS AVR to your TV with a single cable, download the HEOS App and follow the instructions. Within minutes, the HEOS AVR is ready to receive. Control all your sound easily via the app, or command the HEOS AVR with the included HEOS remote control or your TV remote. Play your personal music collection throughout the whole HEOS ecosystem. Even in high-resolution.
